Thank you,

I'm not sure why it takes so long for the docket to populate, but I see the renewed pro hac vice application and the fee being paid. It wasn't entered into the system until yesterday afternoon. But thank you for handling the fee and entering the case.

The only issue concerning the pro hac vice application is Mr. Palavan's address. The address in our system and the CA state bar is currently for Houston, TX.

Mr. Palavan, please update the contact information we have in our system through PACER and I can grant the pro hac vice.

Thank you,

Robert McNamee
